This picture educational book is a reader for children learning to read English, learning English as a second language and for parents teaching children to read.

The book is written in large letters to make it easy to read. Pages are done separately, to address the issue of letter and picture distortion on some e-readers. The book makes use of sight "flash" words from the Dolchlist to help children easily master sight words. The book is one of several children's books from this author, available from this outlet.
