God's Revelation to the Human Heart Fr. Seraphim Rose

What does man seek in religion and what should he seek in it? How does God reveal Himself in order to bring man to a knowledge of the Truth? How does suffering help this revelation to occur? Fr. Seraphim Rose addressed these and other issues during a lecture at the University of California, Santa Cruz, in 1981. *God's Revelation to the Human Heart* is a transcription of that lecture, and the question-and-answer session between Fr. Seraphim and the university students.

Drawing upon a wealth of resources--the Holy Scriptures, patristic writings, the Lives of ancient and modern saints, and accounts of persecuted Christians in today's world--Fr. Seraphim leads the audience to the core of all Christian life: the conversion of the *heart* of man, which begins to burn with love for Christ and transforms him into a new man.
