Raised By A Wolf: One father's epic journey through pregnancy - and advice on how not to kill and eat your offspring By nick Savage

I thought I had it all. I was a highly successful ski bum, foot-loose and fancy-free, successfully avoiding any type of responsibility that dare threaten my sanctuary of independence. My only ambitions were to continue living in this vein for as long as I possible could.

Then one day my girl tells me she has growing in her belly the single thing, the very kryptonite, capable of annihilating my blissful existence. And thus began my new life...

This book is an attempt to help guide other fathers thrust into the reality of adulthood by pregnancy through the perils, pitfalls and inevitable chaos to come. It is an uneducated man's attempt to keep others from making the same mistakes I did, and the occasional success that I managed during my wife's pregnancy and the first few years of my son's life. But also this is my story, how these experiences changed me, changed my wife, changed my soul, changed everything, in ways I never imagined possible. How even a guy like me was capable of transforming from a total bum, into a father; and the few helpful tidbits I picked up along the way..
