## **Silver Skin (Cold Iron Series Book 2)** D.L. McDermott

For fans of Jeaniene Frost and Kresley Cole, the second in D.L. McDermott's fast-paced and sexy paranormal romance series about Boston's underground Fae gangland. Make sure to check out the rest of the Cold Iron series: *Cold Iron*, *Stone Song*, and *Blade Dance*, all available from Pocket Star!

Helene Whitney has been losing time. Not losing track of time—but finding whole blank spaces, hours, in her day she can't account for. A year ago she would have written it off as overwork and exhaustion, but that was before she found out about the Good Neighbors, the Fair Folk, the Beautiful People, the Fae.

Ancient, immortal, tricky, and cruel, these creatures out of myth and legend rule the Irish enclaves of South Boston and Charlestown, and one of them has been using magic to abduct and control Helene for hours every day. That's because the collection at her museum contains ancient objects of Fae power, and the Fae want access to this magic for their own ends. Now, Helene's only hope of escaping this unknown assailant lies with the Fae sorcerer Miach MacCecht, a man she knows she can never trust—and who may prove impossible to resist.
