The 149th Pennsylvania saw its one day of glory on July 1, 1863, when this young and untried regiment staged a magnificent defense at McPherson's farm. Although this bright promise quickly faded into more typical regimental experience, the story of the regiment's service under the indomitable Joshua Chamberlain remains worth telling. Drawing on the service records of more than 800 soldiers as well as diaries, letters, and other primary sources, this book details the 149th's battles from brigade to company level, from the charges at Gettysburg to the assault at Petersburg. Focus is on the development, mood and character of a regiment as it undergoes changes in leadership, loss of reliable veterans and the increased individual desire for survival as brutal battles take their toll on mind and body. More than 100 photographs enhance the text.
