Once upon a time, in a tiny kingdom nestled between stark ocean cliffs and moss-carpeted forests, a princess was born into a magical family that was soon overtaken by darkness and dragons. She discovers her own magic, conquers hopelessness and monsters in a labyrinth, and saves herself and the kingdom. **THE WIND WHISPERED HER NAME** is an illustrated storybook for young adults with a feminist spin on classic fairy tale themes. It's a story of overcoming the cycle of domestic violence to live bravely and wholeheartedly.
