Jane Stabler

Byron, Poetics and History (Cambridge Studies in Romanticism) Jane Stabler

Jane Stabler presents this examination of Byron's poetic form in relationship to historical debates of his time. Responding to recent studies in the Romantic period, Stabler asserts that Byron's poetics developed in response to contemporary cultural history and his reception by the English reading public. Drawing on new research, she traces the complexity of the intertextual dialogues that run through his work.
