"What becomes of the broken-hearted? After surviving a tumultuous childhood, a toxic marriage and a torrid love affair, Charlene Brazelton finds herself trying to answer that question and many more-both for herself and her children. She's been to the depths of Hell and lived to tell about it. But as she starts to mend the pieces of her broken heart and fragmented life, love calls. Answering that call proves to be yet another life-altering experience, one that takes her on the ride of her life.

Listen as Charlene recollects her story of unrequited love and deception. Rejoice with Charlene as she rediscovers her first love. Laugh with Charlene as she finds strength in her family and friends. And cheer for Charlene as she turns pain into both power and profit.

Heartwarming, funny, inspiring and soul-stirring, ""Living Well is the Best Revenge"" is the ultimate love story. It's the story of one woman who loved herself enough to save her own life."
