Once Upon a Time Stories (Volume 1) Mrs. Elizabeth Ann Davis

This is the first volume in a five volume series of the Fairy Tales that we grew up with. The tales remain true to the original stories but they have been softened up just a bit. Wolves do not eat pigs in these stories, nor do pigs eat wolves. These books are illustrated with the artwork found in the early Fairy Tale books. The author has touched up the paintings up where it was needed, but the illustrations are other artists works and have been included in an attempt to recapture the magic and beauty of our favorite Once Upon a Time Stories.
