Purgatory: The Helpless Cries from Beyond the Veil / Black and White David Martin

Culled largely from the revelations of the saints, this little book provides a penetrating insight into the infernal realm of Purgatory and offers a sure and everlasting remedy for avoiding this place of banishment in the next world. It brings home the sobering truth that our life on earth is but a brief test of faith and makes us realize more than ever that we will be evaluated for every thought, word, and action of our life when we stand before God in judgment. If nothing else, it shatters the modern day myth that Purgatory doesn't exist and provides compelling motivation to avoid this realm of expiation over the veil. It places our priorities straight and give us a relish for true success where we are spurred on to renounce the fools gold of earth and embrace the true gold of Heaven. Not a book for the half-hearted, but for spiritual athletes who aspire after true victory. A must-read for those who are serious about spirituality.
