The Bauhaus Group: Six Masters of Modernism Nicholas Fox Weber

Nicholas Fox Weber, for thirty-four years head of the Albers Foundation, spent many years with Anni and Josef Albers, the only husband-and-wife artistic pair at the Bauhaus (she was a textile artist; he was a professor and an artist, in glass, metal, wood, and photography). The Alberses told him their own stories and described life at the Bauhaus with their fellow artists and teachers, Walter Gropius, Paul Klee, Wassily Kandinsky, Ludwig Mies van der Rohe, as well as with these figures' lesser-known wives and girlfriends.

In this extraordinary group biography, Weber brilliantly brings to life the pioneering art school in Germany's Weimar and Dessau in the 1920s and early 1930s, and captures the spirit and flair with which these Bauhaus geniuses lived, as well as their consuming goal of making art and architecture.

From reader reviews:

Edward Capps:

In this 21st century, people become competitive in most way. By being competitive at this point, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading some sort of book, we give you this kind of The Bauhaus Group: Six Masters of Modernism book as beginning and daily reading e-book. Why, because this book is usually more than just a book.

Shawn Croll:

Information is provisions for those to get better life, information currently can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider when those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take The Bauhaus Group: Six Masters of Modernism as the daily resource information.

Arthur Reaves:

Reading a publication tends to be new life style with this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write on their book. One of them is this The Bauhaus Group: Six Masters of Modernism.

Nona Smith:

As we know that book is essential thing to add our knowledge for everything. By a publication we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This reserve The Bauhaus Group: Six Masters of Modernism was filled with regards to science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading any book. If you know how big benefit from a book, you can really feel enjoy to read a guide. In the modern era like currently, many ways to get book that you just wanted.
