The Black Palmetto (Sam Mackenzie Thrillers) Paul Carr

Hired to find a man who has stolen classified information from a government research facility, Sam Mackenzie and his partner Simone track their quarry to the backwater town of Iguana Key. Sam soon finds himself at police headquarters for questioning after a local citizen is killed. As the murders continue, the police need a scapegoat and their sights are dead set on Sam. To get the police off his back, Sam enlists the help of Lora Diamond, a beautiful newspaper reporter, and Harpo Crumm, a homeless man also hunting the killer for reasons of his own. He uncovers a connection to a secret government program that reaches all the way to the nation's capital. Navigating a minefield of hired thugs and assassins, he stalks the killer and becomes a target himself. The intersection of the players' investigative paths leads to a deadly conclusion.

This is a new release of a previously published edition.
