The Collected Stories: v. 2 Arthur C. Clarke

This is a collection of stunning short stories from the most acclaimed Science Fiction author of any generation. Arthur C Clarke is without question the world's best-known and most celebrated science fiction writer. His career, spanning more than sixty years, is one of unequalled success. Clarke has always been celebrated for his clear prophetic vision, which is fully on display in this audiobook, but there are also many stories which show his imagination in full flight, to the distant future and to far-flung star systems. This second volume in a series of five includes some of Clarke's most dramatic work, including "Guardian Angel", "The Sentinel" and "Earthlight". This recording is unabridged. Typically abridged audiobooks are not more than 60 per cent of the author's work and as low as 30 per cent with characters and plotlines removed.
