Of the "True Devotion," John Paul II said that reading "True Devotion" was a "decisive turning point" in his life. Millions of Catholics have followed the Saint's path to changing their lives, too, by consecrating themselves to Christ through His Holy Mother, in effect striving to not only re-dedicate one's life but to push the boundary for real holiness and learn to become a true "slave" to Jesus Christ.

The "Secret of the Rosary" contains many stories of miracles involving Blessed Alan and St. Dominic as well the special way to pray the Rosary according to St. Louis himself. This treasure may be considered "THE" compendium on the Most Holy Rosary and led many to delve into the depth of the Mysteries of Christ's life.

And in your third book you have an easy, clearly laid-out plan for your own special consecration day.

"Devoutly meditating on Her [Mary] and contemplating Her in the light of the Word made man, the Church reverently penetrates more deeply into the great mystery of the Incarnation" (Dogmatic Constitution on the Church Lumen Gentium, n. 65)

"This Saint's teaching has had a profound influence on the Marian devotion of many of the faithful and on my own life. It is a lived teaching of outstanding ascetic and mystical depth, expressed in a lively and passionate style"---Pope John Paul II, 8 December 2003
