## **Manual Básico de Derecho y Informática: Manual de Informática Jurídica y Derecho Informatico (Spanish Edition) Patricia Brown**

Este manual fue escrito con la finalidad de brindar toda la información que existe hasta la fecha de: “Informática Jurídica” y “Derecho Informático”.

Es un manual en donde yo he estudiado, investigado y recopilado todas las normas, leyes, decretos, convenios, tratados y circulares en donde trate estos temas; de aquí surgirá éste título de: “Informática Jurídica a nivel del Derecho Uruguayo y del Derecho Extranjero”

Contiene también todas las opiniones y posiciones de los autores uruguayos como de los autores extranjeros. Aparte en cada capítulo

yo hago mis propias conclusiones, pero también expongo varios temas que escribo con total autoría desde mi punto de vista, desarrollando así temas que otros autores no lo han tratado aún, y los cuales están relacionados con la computación (parte técnica) y con la Informática Jurídica; además de diagramas, esquemas y dibujos que he diseñado para su mejor comprensión en algunos capítulos.
