Speaking My Mind: The Radical Evangelical Prophet Tackles the Tough Issues Christians Are Afraid to Face Tony Campolo

Fifteen years ago, Tony Campolo's *20 Hot Potatoes That Christians Are Afraid to Touch* pushed, pulled, and prodded Christians into serious consideration of controversial but critical issues related to the Christian life. Campolo challenged his more than 150,000 readers to re-think their convictions (and prejudices) and to do something about them!

Dubbed by *Christianity Today* as "the positive prophet" and "a ferocious critic of Christians left and right," Campolo lives up to his reputation in this latest book examining some of today's toughest questions and issues:

- Is evangelical Christianity anti-feminist?
- Is our affluent lifestyle at odds with our faith?
- Is America really in moral decline?
- Is Islam really an evil religion?
- Should Christian parents pull their kids out of public schools?
- Was the war with Iraq a "just" war?

Speaking My Mind... Tony Campolo at his best.
