**The Crucified God: The Cross of Christ As the Foundation and Criticism of Christian Theology** Jurgen Moltmann

"This is Jürgen Moltmann's best and therefore most important book. He has substantially changed the central thrust of his theology without sacrificing its most vital element, its passionate concern for alleviation of the world's suffering." -Langdon Gilkey "The Crucified God rewards, as it demands, the reader's patient and open-minded attention, for its theme is nothing other than the "explosive presence" of the sighting and liberating Spirit of God in the midst of human life." -The Review of Books and Religion
