I call him "Tool" because he's a dick.

Gaige O'Neal is nicknamed "Tool" because of what he's packing. Rumor is that he's well equipped.

He's a cocky, entitled, insufferable a**hole who's as reckless with women as he is with that stupid motorcycle he races.

It's been four years since I've seen him. Four years ago, he was the bane of my existence. And my best friend, my biggest confidant, my first love.

My stepbrother.

It's just my f**ing luck that the first time I see him in four years, he's buried beneath three scantily clad blondes.

Now I'm stuck here under the same roof with him while he recovers from a racing injury. An injury that clearly hasn't affected the use of his tool.

The problem is, as much as I despise him, I just can't help myself. I want to find out what kind of tool he's working with.

This is a standalone novel with an HEA
