Topographical dictionary of 2885 English emigrants to New England, 1620-1650 Charles Edward Banks

This "Dictionary" comprises genealogical records of nearly 3,000 emigrants, giving their English homes, names of ships in which they sailed, towns in which they settled in New England, and references to the printed or manuscript sources from which the information derived. In collecting data for this work, Col. Banks made seven visits to England, searching the records of nearly 2,000 parishes in order to connect the New England immigrants with their native parishes. Additional information is provided in a series of indexes: Index to Emigrants to New England; Index of the Wives and Children of the Emigrants; Index of Parishes; Index of Ships; and Index of Towns in New England.
