Among all the famous Native American Indian chiefs, people today easily recognize names like Geronimo, Sitting Bull, Tecumseh, and Crazy Horse. However, unless you live in North Alabama or Central Tennessee, chances are you've never heard of Cherokee Chief Doublehead. Described as overbearing, hot-tempered, and haughty, he possessed possibly one of the strongest personalities of any man who lived at the time. Through sheer force of will, Chief Doublehead became the principal leader among the Cherokees. Refusing to cede the valuable hunting grounds to white intruders, he managed to confederate several tribes of Indians to wage war for twenty-five years. It has been said tha Doublehead killed more men than anyone who lived during that time period. Butch Walker has written an excellent biography on the great chief, which has been long overdue. Walker takes Doublehead from warrior to famous chief to shrewd businessman. Butch Walker has painstakingly researched all available material on the fierce Cherokee Chief Doublehead. This is a must-read for anyone interested in Native American history.
