## **Guerre et paix entre les monnaies (Documents) (French Edition) Jacques Mistral**

L'histoire risque-t-elle de se répéter ? Est-ce au niveau des principales monnaies, le dollar, l'euro et le yuan, que pourrait se jouer la prochaine et la plus dramatique des séquences de la crise que nous vivons aujourd'hui ?

Que l'on parle de l'Amérique et de la Chine ou de l'Allemagne et de l'Europe du Sud, la question des dettes et des déficits empoisonne à nouveau l'atmosphère internationale. Gouvernance inachevée de l'eurozone, fin problématique des excès monétaires aux Etats-Unis, insertion réticente de la Chine dans l'ordre monétaire mondial, dévaluation compétitive agressive au Japon : le cœur de la crise est aujourd'hui monétaire.

L'histoire nous enseigne que la paix monétaire est le plus important des biens publics globaux. Ce livre, pour la première fois, formule des propositions concrètes pour éviter le retour tragique des guerres monétaires.

Jacques Mistral est économiste, il a fait carrière dans l'université, la haute fonction publique et dans l'entreprise. Il enseigne aujourd'hui dans les universités de Harvard, du Michigan et de Nankin ; il est senior fellow à la Brookings Institution à Washington, conseiller spécial de l'Ifri à Paris et membre du Cercle des économistes.
