Hitchhiking through Asperger Syndrome

Lise Pyles

Hitchhiking through Asperger Syndrome Lise Pyles

Written from a parent's perspective, this book gives a candid and thoughtful account of one family's trek through the world of Asperger Syndrome. The author makes it very clear that, while professional help can be necessary, parents are in the best position to make a difference in their children's lives and should be in control of, and involved in, their children's care and education. She offers practical and positive advice on topics including: diagnosis and self-diagnosis; dealing with your own reactions and those of others; type of school and homeschooling; medication; and dietary issues. Written in clear, straightforward language, the book does not promote any particular therapy or prescribe fixed solutions, but aims to help parents to ask good questions and come up with answers to suit their own circumstances and children. Full of humour and common sense, "Hitchhiking Through Asperger Syndrome" should make encouraging, inspiring and entertaining reading for all parents of children with Asperger Syndrome.
