Legs

William Kennedy

Legs William Kennedy

Legs inaugurated William Kennedy's brilliant cycle of novels (including Billy Phelan's Greatest Game and Ironweed) set in Albany, New York. True to both life and myth, Legs brilliantly evokes the flamboyant career of the legendary gangster Jack "Legs" Diamond, who was finally murdered in Albany. Through the equivocal eyes of Diamond's attorney, Marcus Gorman (who scraps a promising political career for the more elemental excitement of the criminal underworld), we watch as Legs and his showgirl mistress, Kiki Roberts, blaze their gaudy trail across the tabloid pages of the 1920s and 1930s. Diamond and his gangster entourage emerge as emblematic figures from an era of American innocence-and corruption.

From reader reviews:

Byron Sierra:

This Legs book is not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is actually information inside this publication incredible fresh, you will get details which is getting deeper you read a lot of information you will get. That Legs without we understand teach the one who studying it become critical in pondering and analyzing. Don't become worry Legs can bring if you are and not make your carrier space or bookshelves' come to be full because you can have it in the lovely laptop even phone. This Legs having great arrangement in word along with layout, so you will not experience uninterested in reading.

Donna Young:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider if those information which is from the former life are challenging be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Legs as the daily resource information.

Philip Edwards:

This Legs is great book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great arrange word or we can say no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but challenging core information with beautiful delivering sentences. Having Legs in your hand like keeping the world in your arm, info in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen small right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?

Dolores Crook:

Reading a book to get new life style in this 12 months; every people loves to go through a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, along with soon. The Legs provide you with a new experience in looking at a book.
