## **Paranoia y el origen de los sheraticks (Spanish Edition)** Juan Felipe Calderón Rozo

"Porque vivir, no es solo existir", "La realidad, siempre fue trastornada a su voluntad" Si tuviera que describir mi obra, con una sola palabra, diría : "Perspectiva", una obra de ficción, con algo de suspenso, que envuelve al lector, con su caótica historia, haciendo que el lector, se cuestione a medida que transcurre la historia. De esta manera, con una historia tan sutil ,y bien elaborada; le muestro al lector "Que la realidad, solo es un concepto, definido por la humanidad" Sinopsis: Ya han pasado unos cuantos años, desde que la humanidad dejo de avanzar... ¿El motivo? no me lo creerías, aunque te lo dijera. ¿Has oído hablar, de ese misterioso lugar? Se le conoce como "Paranoia" un lugar donde los humanos no pueden estar, mantén los ojos abiertos, y estate alerta... ellos ya están por llegar; Horribles criaturas se encuentran en ese lugar... pero pronto lo descubrirás. Michael era un chico normal, hasta que un día empezó a escuchar una voz, mientras dormía, a partir de ese momento, empezó a vivir sucesos extraños. Sin darse cuenta entro a otra dimensión; todo parecía normal, su casa seguía igual, pero al bajar las escaleras para desayunar... se encontró con una trágica sorpresa
