The Prophet's Way: A Guide to Living in the Now Thom Hartmann

Thom Hartmann's own dramatic spiritual journey that illuminates specific techniques for achieving spiritual transformation

- Recounts travels to the farthest corners of the earth in pursuit of universal spiritual truths
- Reveals the teachings of Hartmann's spiritual guides, providing an intimate glimpse into his relationship with German mystic Herr Müller
- Offers practices and techniques for readers seeking to grow spiritually

In the course of his work for the charitable organization Salem, Thom Hartmann personally witnessed famine in Uganda, chaos in Russia, and genocide in Colombia--all signs that modern cultures have lost the connection to the sacred, both within and without, that was emblematic of older cultures. To truly flourish, the human spirit needs to be present in its surroundings and attuned to the Now. It needs to act on what it knows is possible and to experience how the smallest actions can have massive consequences. This is the reality of the Prophet's Way, a path--both literal and figurative--that the author walked with his spiritual mentor Herr Müller that skirts the edge of the precipice, where one can experience a truly spontaneous life under seemingly overwhelming and impossible circumstances.

In *The Prophet's Way*, Thom Hartmann shares his intense spiritual journey, a story that melds recent discoveries in science with ancient truths. Through insightful and engaging vignettes Hartmann teaches that accepting the challenge to have faith means living on the edge--remaining in the moment--because it is here where the material and spiritual worlds meet. He offers readers a unique view into his experiences of expanded consciousness, providing a powerful example of how we can re-create our future by reconnecting to the sacred heartbeat of the world.
