X-MEN The Characters and Their Universe Michael Mallory

"Mutants Among Us" In 2005, the planet Earth fell under the control of a mutant. He goes by the title "King Magnus", but that is not his real name. He is an uneasy mix of savior to his particular race and ruthless destroyer of anyone who stands in his way. He used to be known as Magneto because of his special ability to manipulate magnetic fields and use that power as both a defensive and offensive weapon. He will probably be known as Magneto again. But as of this particular moment in time he is Magnus Rex, ruler of the world- at least within that uniquely flexible reflection of reality called the Marvel Universe. This coffee-table sized book tops out at 288 pages of X-Men excitement! Approx. dimensions: 14" by 11"
