As oldest daughter of the retired alpha, Tina Hawthorne lives to serve her pack. She's never been tempted to throw caution to the wind for a man — until Rick Rivera returns. The sweet boy from the adjoining ranch is all grown up, but that doesn't make the irresistible human any more suitable as a mate. Especially with a dangerous new foe haunting the night and Rick harboring a few secrets — and enemies — of his own.

There's more than meets the eye on Twin Moon Ranch, home to a pack of shapeshifting wolves willing to battle for life and love.

* A 50,000 word paranormal romance with adult content — not to mention more hot-blooded alpha cowboys than you can count and a swoon-worthy pro athlete ready for his third and final chance. *

The perfect read for fans of strong heroines, alpha heroes, werewolves and shapeshifters, red-hot cowboys, romantic westerns, demons & devils, paranormal suspense, action-adventure romance, and fantasy romance!
