Her boyfriend's not who he seems... "But, you can't be Peter Pan!" Danny cried. "Peter Pan is a CHILD." English-born Danny has lived in America for ten years. At age sixteen, her dad's boss decides to move them yet AGAIN-back to England. Danny reconnects with her old friends, but that doesn't make up for the fact that her closest ones are in America. Still smarting from a bad breakup, Danny remains closed off from boys' affections. Yet, she somehow finds love. Peter Pan is everything she's ever wanted, but he's not telling her everything, and she doesn't want to hurt her new friend, Andrew, who hates Peter, and loves her too. Trapped between the love of two boys, Danny must make difficult decisions of who to keep, and who to let go. And on top of all that, Danny befriends the totally gorgeous and popular boyband The Mickeys, which throws another wrench in the mess. What further complicates things is that Peter has an astonishing secret, and Andrew has a mysterious and unknown past that just might have disastrous consequences for all three of them... What Danny decides to do will take you on a spellbinding journey of faith, trust, and just a little bit of pixie dust...
