House Calls 101: The Only Book You'll Ever Need to Start Your Housecall Practice Scharmaine L Baker

The information in these pages will either excite you into beginning that house-call practice right away or scare you into keeping your day job. Either way, I'm glad you've chosen to learn about my happiness with beginning a house-call practice and to learn from my struggles to maintain a business in the nation's current health-care state.

Are you looking for a step-by-step guide on how to start a house-call practice? Are you looking for a few examples from an expert in the field of house calls to help guide your decision making? If you've answered yes to these questions, this is the book for you. Making medical house calls is an extremely rewarding and profitable niche practice that can be started with little or no overhead. If you already love or think you will love going into the home setting to provide primary care when health care is often scarce or unavailable, this is the field for you. This book is written with nuances and scenarios of a house-call practice for an advanced practice nurse, but if you are a physician assistant, physician, or any other practitioner looking to begin a housecall practice, there is plenty of information here for you too!
