In this workbook and CD set, you'll learn how you can use self compassion, self kindness and unconditional self love to heal the roots of a painful relationship with sugar. This process softens sugar cravings, lowers stress and anxiety, and creates the safety you need to change your sugar habits.

*Overcoming Sugar Addiction for Life* includes:

6 audio CDs and a workbook. The audios give you a core concept or "how to" that you'll need to find lasting healing from sugar, and the workbook gets you out of theory and into practice - actually creating changes in your life.

- \* The workbook also contains written exercises to understand where you get stuck with sugar.
- \* Each core concept has visualizations to foster healing on a deep unconscious level.
- \* Structured support - a map to follow on what to do first, what to do next, and what to do last.

Beyond changing your relationship with sugar, this program will help you change your relationship with yourself. While weight loss or decreased bingeing are valuable rewards, those who've taken this program also report feeling greater joy, wholeness, and inner peace.
