Designed specifically for world language educators and today's computer-savvy students, Heinle eSAM (powered by QUIA™) is an advanced and easy-to-use e-learning platform for delivering activities to students via the web. The eSAM consists of an online interactive version of the Student Activities Manual with the SAM audio program, making it the complete homework package. Focus on giving your students the individual feedback they need by saving time on grading SAM assignments, customizing activities and questions, and setting up your course in a few simple steps. Heinle eSAM also is an integrated course-management system that automatically grades many types of exercises and then sends the results straight to a versatile cross-platform electronic gradebook that allows you to track the results for individual students and your entire class. Heinle eSAM even has a floating accent bar for world languages!
