The Secret Plot to Save the Tsar: The Truth Behind the Romanov Mystery Shay McNeal

The tragic fate of the Romanovs is well known: on July 17, 1918, the Tsar, his wife, their four daughters and ailing heir were led down to a basement in Ekaterinburg, Russia, and murdered in cold blood by a Bolshevik firing squad. The DNA analysis and identification of the bones were the conclusive proof the world was waiting for, and the case was considered closed. Until now.

Shay McNeal's controversial, groundbreaking new account challenges this accepted view. She presents convincing new scientific analysis questioning the authenticity of the "Romanov" bones and uncovers an extraordinary tale of espionage and double dealing that has been kept secret for more than eighty years.

Based on extensive study of American, Allied and Bolshevik documents, including recently declassified intelligence files, McNeal reveals the existence of a shadowy group of operatives working at the highest levels of the Allied, Bolshevik and German governments to free the Imperial family and guide them to safety.

Most controversially, McNeal believes that one of the plots to rescue the Tsar and his family may, possibly, have succeeded -- and she has compelling evidence to support it.

Told with the pace of a thriller, this highly readable and vigorously researched book forces a dramatic reappraisal of one of the most enduring mysteries of the twentieth century.

Dana Register:

That reserve can make you to feel relax. That book The Secret Plot to Save the Tsar: The Truth Behind the Romanov Mystery was colorful and of course has pictures on there. As we know that book The Secret Plot to Save the Tsar: The Truth Behind the Romanov Mystery has many kinds or style. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it offers you feel happy, fun and unwind. Try to choose the best book for you and try to like reading this.

Sharon Keller:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Secret Plot to Save the Tsar: The Truth Behind the Romanov Mystery can make you feel more interested to read.
