The shorter the better?

Gasp! Say it isn't so....

Sometimes it is. Think: creativity on a whole new high - bursts of colorful imagery, radiant characters, and interesting dilemmas all thrown into a very short story! Then that twist ending, shining a light so bright, blinding your readers with awesomeness and, best of all, yourself....

Does this sound familiar? "I didn't know I had it in me." Well, think again. You do have it in you to roll out stories left and right, improving your craft and learning the ins and outs of this entire writing-career mystery. Set yourself a goal because guess what? You're going to accomplish it.

Why? Because we did. If you're afraid, start small and then work your way up to a full-length novel. Short stories are where it's at, my fellow writer.
