**Adolescent Life Experiences (Psychology)** Gerald R. Adams, Thomas P. Gullotta, Carol Markstrom-Adams

Offering a research focus, coverage of prevention of adolescent problems and attention to ethnic and minority issues, this revision draws from a wide variety of disciplines and effectively integrates the material into a presentation of adolescent development. Placing adolescents themselves at the core of the book, the authors emphasize the role that development and the pressures of society play in the erratic and sometimes volatile lives of teenagers.
