Bateman: New Works Robert Bateman

Robert Bateman is one of the world's greatest wildlife artists and most committed naturalists. This exquisite collection of recent works, all reproduced here for the first time in book form, is published in honor of his 80th birthday and features 75 full-color reproductions of paintings depicting both North American and international wildlife scenes. This glorious edition includes an essay by Bateman in which he shares his wisdom on nature, environmentalism, education, and the role of art in the preservation of wilderness, as well as black-and-white sketches and commentary on specific works. *Bateman: New Works* is an essential addition to any Bateman collection and a satisfying introduction to the work of this revered and iconic artist.
