Make the painless transition from low tech to tech friendly!

If you're just making the transition to tech, this is the resource for you. In understandable language, this book describes how exactly you can use tools like webquests, wikis, social networking apps, and podcasts to enhance your lessons and keep kids engaged. The authors put technology within your reach by:

- Framing each tool in the context of what you need to know
- Defining the tool in easy-to-understand language; there's no tech-speak
- Guiding you through implementation step by step
- Providing sample lesson plans to get you started
