My capelet infinity scarf is a versatile garment which can be worn as an outer piece on cool days, as an extra layer under your outer garments, or bunched up to look like an over-sized scarf/cowl.

The buttons can be done up to make more of a polo-style collar, or left undone to give you the split neckline look as shown on the cover of this book.

My patterns are written in plain English which makes them easy to follow whether you are a newbie crocheter or you have many years of experience.

The finished capelet measures approximately 19" (48 cm) long, and 48" (122 cm) in circumference around the lower edge.

You will only need three 4 oz skeins (100 g balls) of bulky (chunky) yarn, plus 4 buttons to complete the garment.

Scroll up to the top and click on the link to "Buy Now" to deliver almost instantly to your Kindle or other reading device, and start making your capelet infinity scarf TODAY.
