Since 1996, the Puerto Vallarta Writers Group has provided a home for authors published, self-published, and aspiring. This year, the PVWG has created an anthology of its writers' best short stories. Included in this eclectic collection, you will find winners and losers, murderers and victims, talking dogs and terrified children, fairy tales and love stories, whimsy, comedy, and outright horror. In other words, the whole panoply of what it means to be human. (Even the dog) The stories are about evenly divided between authors who have been published before, and those who are seeing their work in publication for the first time. We believe that they are all excellent, and we invite you to read them for yourself. We promise an enjoyable reading experience. All proceeds from the sale of this book will be donated to the Los Mangos Library in Puerto Vallarta
