Ivy Jones is the baddest female in Detroit--or at least that's what she thinks. High maintenance and all about a come up, Ivy cares about no one but herself. Only messing with ballers and guys willing to do whatever for her, Ivy is a high-class gold digger and figures she can pull any guy she wants...until she meets the infamous Hakeem Miller. A New York native with a swag to die for, Hakeem is a hustler to the core who stands firmly by the motto M.O.B. The women love him, and the men fear him. But all Ivy wants is a little bit of his time...and income, of course. However, what she gains instead may be more than what she bargained for. Playing with fire, someone is bound to get burned. Will love and loyalty prevail in the end? Or will a set of hidden agendas cause heartache and turmoil?
