Newly edited 12/17/2015

All it takes is just one moment to change the course of your life. For me, it was one perfect night. I have always had a thing for my brother's best friend, Ben. When I found him on my parents' couch, drowning his sorrows in a whiskey bottle, my attempts to comfort him quickly turned into a night of raw and intense passion.

My foolish heart hoped he might feel the same way I do.

But Ben wasn't there to stay and I woke up the next morning alone with a broken heart.

I attempted to forget the guy with a smile to die for and a touch that sets me on fire.

I thought I was over him.

I thought he was gone forever.

Until, eighteen months later Ben returns and learns my secret. Now, he is hell-bent on winning me back.

He plays dirty.

And he won't stop until he gets what he wants—me.

But he has secrets of his own.

Secrets that could destroy everything we might have and everything we are.
