The Place of Lewis Carroll in Children's Literature (Children's Literature and Culture (Paperback))

Jan Susina

In this volume, Jan Susina examines the importance of Lewis Carroll and his popular Alice books to the field of children's literature. From a study of Carroll's juvenilia to contemporary multimedia adaptations of Wonderland, Susina shows how the Alice books fit into the tradition of literary fairy tales and continue to influence children's writers. In addition to examining Carroll's books for children, these essays also explore his photographs of children, his letters to children, his ill-fated attempt to write for a dual audience of children and adults, and his lasting contributions to publishing. The book addresses the important, but overlooked facet of Carroll's career as an astute entrepreneur who carefully developed an extensive Alice industry of books and non-book items based on the success of Wonderland, while rigorously defending his reputation as the originator of his distinctive style of children's stories.

Raymond Hernandez:

People live in this new day time of lifestyle always try and and must have the extra time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have free time, we will say absolutely indeed. People is human not only a robot. Then we ask again, what kind of activity do you have when the spare time coming to an individual of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the particular book you have read will be The Place of Lewis Carroll in Children's Literature (Children's Literature and Culture (Paperback)).

Timothy McCormack:

Many people spending their period by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smartphone. Like The Place of Lewis Carroll in Children's Literature (Children's Literature and Culture (Paperback)) which is obtaining the e-book version. So , why not try out this book? Let's observe.

Hermelinda Anthony:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Place of Lewis Carroll in Children's Literature (Children's Literature and Culture (Paperback)) can make you sense more interested to read.
